## OCEAN CLUB

At Tommy Bahama Home, we are captivated by the notion that our surroundings powerfully influence our outlook on life. We believe that each of us has the ability to create a soothing and soulful retreat at home that reflects the essence of island living. For that reason, we are passionate about creating a lifestyle that captivates your senses and relaxes your pace... from the moment you cross the threshold.

Welcome to Ocean Club - the soft contemporary side of Tommy Bahama Home. With clean lines and dramatic horizontal design elements, the style is casual, yet sophisticated. A seductive blending of east meets west draws inspiration from islands of the Pacific Rim. Natural materials like woven rattan, crushed bamboo, honed travertine, and etched sea glass add character and authenticity, while correlated fabrics feature a color palette of linen-white textures with dramatic splashes of color.

Your home should be a restful retreat from the stress of day to day life – a place where causal elegance is defined by pleasing colors, inviting designs and effortless style. We invite you to discover how to create the essence of paradise in your own home with Ocean Club – a fresh contemporary approach to the finer things in life, from Tommy Bahama Home.

# Bedroom

Incorporating bold architectural shapes,

Ocean Club offers an inspirational design statement for the master suite.

The woven rattan panel on the Paradise Point Bed is framed by a dramatic open fretwork design with soft returns at either end. The same open fretwork is mirrored

on the Kaloa Nightstands and the Abaco Chair. The look is fresh and

contemporary, with a touch of

Asian influence.

# Dining Room

The horizontal perspective in the design of the Peninsula Dining Table serves to make an impressive room appear all the more expansive. The slats in the backs and arms of the Kowloon Chairs support the linear design in dramatic fashion. The Sea Glass Buffet, with its back-lit interior, offers an opalescent glow through textured aquamarine glass, while the Reflections Mirror draws the eye with its radial slat design.

# Living Room

Contrast is a key component of great design. Ocean Club is a study in contrasts - blending light and dark colors, Eastern and Western styling, natural and man made materials. The Salina Sofa showcases a striking white and black fabric story, the horizontal lines of Eastern styling combined with the plush cushioning of Western styling, and a blending of native rattan with finely woven fabrics. Great design has never looked so inviting.

# Media Room

Form and function are equal partners in the media room. The Point Break Entertainment Chest is a perfect example. In the image here, sliding doors with open fretwork are positioned over the end bookcase units to facilitate TV viewing. On the following page, the doors are closed to conceal the TV and electronics, allowing decorative accessories and collectibles in the bookcase units to take center stage. Regardless of the function, form is never compromised.

## Caring For Your Furniture

### Wood

- Avoid prolonged exposure to direct sunlight.
- Do not leave plastic or rubber materials on wood surfaces.
- Wipe up spills immediately.
- Clean with a reliable non-silicone furniture polish and rub with the grain.
- Avoid common hazards such as hot dishes (use a protective pad), harsh solvents (nail polish remover, alcohol) and abrasives.

### Antiqued Brass and Metal

- Maintain with regular dusting.
- Wipe up spills immediately.
- Clean with mild soap and water, dry thoroughly – do not use a brass cleaner (it will damage the lacquer)

### Upholstery

See the Lexington Upholstery and Leather Catalog for more information on cleaning and care for your product. Available from your dealer, by visiting [lexington.com](http://lexington.com) or by phoning 336.474.5300, ext. 2. For current fabric information, see your Lexington Upholstery dealer.

### Caution

Never remove cushion covers for separate dry-cleaning or washing, even though they do have zippers. Do not use bleach or any tumble method cleaning service as this may destroy the backing of the fabric or shrink or otherwise damage the upholstery fabric.
