# Working from Home

With many of us working part or full time from home, it has changed the way we view the workplace and our personal space. While some have a dedicated home office, many find it necessary to create a work area within another room that allows them to engage in business effectively and comfortably. Sometimes an intimate space can prove to be the most productive.

At Sligh, it is our belief that design and home décor play critical roles in how we react to our environment. We also believe there is an art to creating spaces that inspire, enable, and encourage our best work, regardless of the size of the room. With a legacy that spans 140-years, Sligh is the industry leader in innovative home office designs. We develop product based on the premise that great design is paramount, and functionality is a given.

On the following pages, you will find a diverse array of designs across every style category. You will find pieces that accommodate every conceivable workspace, from hallways to dedicated rooms. Our goal is to help you create an inspiring workspace that is uniquely yours.

**Furniture, Stone and Metal Care:**

- Dust with a clean microfiber or lint-free cloth, rubbing with the grain
- Avoid using furniture waxes, polishes or oils that can build up on surfaces
- Clean surfaces with mild soap and water, drying immediately afterward
- Wipe up spills or smudges immediately
- Protect surfaces from scratches using felt pads, placemats or tablecloths
- Never set drinks or liquids directly on surfaces
- Do not leave plastic or rubber materials on surfaces
- Avoid prolonged exposure to direct sunlight or heat sources
- Avoid contact with hot dishes or objects
- Avoid contact with solvents like nail polish remover or alcohol
- Do not use cleaners on metal, brass or stone items

**Fabric and Leather Upholstery Care:**

- Avoid placing furniture in direct sunlight or near a heat source
- Vacuum furniture to prevent the accumulation of dust or debris
- Flip cushions and pillows regularly to keep filling equally distributed
- Fluff pillows after use to maintain shape
- Never remove cushion covers for cleaning
- Never put cushion covers into a washer or dryer
- All fabrics and leathers have specific cleaning codes
- Visit [Lexington.com/care-and-maintenance](http://Lexington.com/care-and-maintenance) for details
- Use a professional cleaning service whenever possible
- Allowing pets on upholstery will void the fabric warranty
