INNOVATIVE OFFICE AND MEDIA DESIGNS

## *Bel Aire*

Inspired by the timeless Greek Key design, Bel Aire's fresh contemporary styling sets the tone for the most elegant interiors. Exceptional office and media designs are beautifully crafted in Walnut, rewarding the discerning eye with accents of hand-applied gold leaf for a distinctive statement of style.

Home office and the media rooms today have become living spaces defined by design and style, and not simply by function. Bel Aire exudes a level of glamour and sophistication unique to the category with three distinctive desk designs and two configurations of media consoles, offering an elegant designer look.

## FINISH AND HARDWARE

Contemporary designs crafted in Walnut and select hardwoods in a rich walnut brown coloration with authentic gold leaf accents and custom hardware in a brushed brass finish.

**StrongArm® 9000-I-BL**  
The Sligh StrongArm® TV mount is designed to allow monitors up to 70" in width to float above the entertainment console rather than sitting on a bulky base unit. The unit swivels and articulates to accommodate any viewing angle and incorporates wire management without disturbing the integrity of the wall behind the console.

## FURNITURE CARE

Avoid prolonged exposure to direct sunlight or placing plastic or rubber materials directly on the wood surfaces or leather desk tops. Avoid putting hot cups or dishes directly on the wood or leather. Nail polish remover, solvents or alcohol will damage the finish. Wipe up spills of any liquid immediately as they may otherwise mark the finish.

The beauty of Sligh wood furniture and leather top desks can be maintained by periodically using a self-cleaning furniture polish (like Pledge). Self-cleaning furniture polishes maintain luster and provide adequate cleaning under most circumstances.

Brass and other metals are protected with lacquer. Avoid using brass cleaner as it will damage the lacquer. Dust regularly, and for a more thorough cleaning use mild soap and water and dry thoroughly afterwards.

Clean leather executive desk chairs regularly with a dry cloth and vacuum the corners of the seat. Avoid using water, cleaning solvents, soaps or ammonia to clean the leather as it will harm the surface. Feel free to use a leather conditioner once or twice a year.

For fabric executive desk chairs, vacuum following a spill. If stained with oil or grease, clean with a cold rag and dish soap. Otherwise apply upholstery cleaner to the stain and follow the directions.
