RICHMOND HILL

Traditional designs in Richmond Hill are crafted from select cherry veneers, featuring classic styling elements like fluted posts, elegant tapered legs, inverted breakfront designs and raised panel moldings. The warm cherry finish exudes a distinctive air of sophistication, with light distressing on surfaces and gentle burnishing on edges and corners. The hardware is finished in a rich, aged brass coloration.

Creating an inspiring and efficient work space requires size options, so the Richmond Hill assortment offers three configurations - a writing desk, kneehole desk and executive desk. The Lanier file chest and deck work as a single unit or in pairs.

Regardless of layout of your work area, the timeless appeal of traditional styling is showcased beautifully in the Richmond Hill collection from Sligh.

VISUAL INDEX 14

With a 66 x 30-inch writing surface, the Wesley kneehole desk offers an elegant combination of form and function. The top of the desk features a faux leather writing insert with decorative tooling. The left and right sides have a full-extension self-closing drawer at the top and a full-extension file drawer below that will accommodate letter or legal files. The center drawer has a drop-front to accommodate a keyboard. There is a hidden storage shelf in the bottom section of the interior compartment.

The Lanier file chest makes a great traditional statement as a single or in pairs. It features four full extension locking file drawers that accommodate letter or legal files.

The optional Lanier Deck has three adjustable wood-framed glass shelves and touch LED lighting with a dimmer switch.

Caring for Your Furniture

Avoid prolonged exposure to direct sunlight or placing plastic or rubber materials directly on the wood surfaces or leather desk tops. Avoid putting hot cups or dishes directly on the wood or leather. Nail polish remover, solvents or alcohol will damage the finish. Wipe up spills of any liquid immediately as they may otherwise mark the finish.

The beauty of Sligh wood furniture and leather top desks can be maintained by periodically using a self-cleaning furniture polish (like Pledge). Self-cleaning furniture polishes maintain luster and provide adequate cleaning under most circumstances.

Brass and other metals are protected with lacquer. Avoid using brass cleaner as it will damage the lacquer. Dust regularly, and for a more thorough cleaning use mild soap and water and dry thoroughly afterwards.

Clean leather executive desk chairs regularly with a dry cloth and vacuum the corners of the seat. Avoid using water, cleaning solvents, soaps or ammonia to clean the leather as it will harm the surface. Feel free to use a leather conditioner once or twice a year.

For fabric executive desk chairs, vacuum following a spill. If stained with oil or grease, clean with a cold rag and dish soap. Otherwise apply upholstery cleaner to the stain and follow the directions.
