Montreux

Montreux features bold contemporary lines, with touches of Mid-Century styling. Crafted from white oak in a light natural finish, designs showcase a vertical reeded motif and soft radius corners. Custom hardware is finished in an elegant champagne gold coloration.

326-660 Montreux Media Console
83.75W x 17D x 30H in.

The 84-inch media console offers a striking Mid-Century modern design, with soft radius corners and a vertical reeded motif on the door and drawer fronts. The piece is crafted from white oak in a light natural finish, and recessed pulls are finished in a champagne gold coloration. The design features an open compartment at the top for a sound bar or components, six storage drawers, and one adjustable shelf behind each of the doors.

BARRINGTON

The Barrington collection features contemporary designs crafted from oak veneers with gentle wire brushing to highlight the grain, and finished in a sophisticated misty white coloration. Unique to the design is the application of woven raffia to the face panels, offering textural dimension. Custom metal accents are finished in silver leaf, and hardware features a brushed silver finish.

324-661 Oakbrook Media Console
76W x 18D x 34H in.

The Oakbrook media console features four raffia clad doors and a floating top supported by decorative metal fretwork at each end, finished in silver leaf. Three open compartments in the top accommodate a sound bar or components. There is one adjustable shelf behind each pair of doors. The recessed metal plinth base is finished in brushed silver.

SILVERSTONE

The Silverstone collection is crafted from lightly sandblasted quartered white oak in a taupe finish with ivory ceruse to highlight the grain character. Custom hardware is finished in a rich champagne coloration. These same designs are available in a dark walnut finish in the Durango collection.

322-660 Sorenson Media Console
84W x 17D x 34H in.

The Sorenson media console features a striking diamond match veneer pattern on the door and end panels, and a unique open architectural base design that gives the piece a floating appearance. Custom-designed door and drawer pulls are finished in a rich champagne gold coloration. There are three soft-closing storage drawers in the middle, and two adjustable shelves behind each pair of doors.

DURANGO

The Durango collection is a companion to the Silverstone portfolio. Designs are crafted from lightly sandblasted quartered white oak and finished in a dark walnut coloration. Custom hardware features a rich champagne finish, offering an elegant contrast to the dark tones of the wood.

321-660 Sorenson Media Console
84W x 17D x 34H in.

The Sorenson media console features a striking diamond match veneer pattern on the door and end panels, and a unique open architectural base design that gives the piece a floating appearance. Custom-designed door and drawer pulls are finished in a rich champagne gold coloration. There are three soft-closing storage drawers in the middle, and two adjustable shelves behind each pair of doors.

Sanibel

The Sanibel collection is crafted from mahogany veneers and finished in an elegant shell white coloration for a refreshing coastal look. Designs feature a plantation shutter motif giving the collection a casual yet sophisticated aesthetic. Custom hardware, in aged pewter, offers a pleasing contrast to the painted finish.

320-660
Clearwater Media Console
67.5W x 18D x 34H in.

320-661
Clearwater Long Media Console
99.75W x 18D x 34H in.

The Clearwater series is inspired by the Ocean Breeze collection from Tommy Bahama Home. Designs are crafted from quartered mahogany veneers in an elegant shell white finish. The step-down molding in the doors adds dimension to the front of the piece. The 68-inch version features four doors. Behind each pair of doors are two adjustable shelves.

The 100-inch version of the Clearwater media console features six doors. Behind each pair of doors are two adjustable shelves.

GREYSTONE

The Greystone collection is crafted from walnut veneers in a pearly gray wire-brushed finish with white glaze to highlight the elegant grain lines in the walnut. Custom hardware and finials are finished in brushed nickel. The sophisticated designs blend clean lines with classic elements for a fresh transitional look.

The Greystone series is crafted from walnut veneers, featuring surfaces that are gently wire-brushed and finished in a soft pearl-gray coloration with a white glaze that highlights the grain. The 74-inch Reese media center features three sliding bypass doors that can conceal all three compartments or any combination of the three. The left compartment has one storage drawer and one letter/legal file drawer. The middle section has three adjustable shelves. The right compartment has one full-extension storage drawer with two adjustable shelves beneath. The file and storage capabilities make this media console ideal for the home office or the media room.

The 72-inch Mt. Bonnell bookcase features two wood-framed glass shelves with recessed lighting in the top. Behind the doors in the base are two adjustable shelves. The lower shelf is removable to accommodate a TV monitor.

RICHMOND HILL

Traditional designs in Richmond Hill are crafted from select cherry veneers, featuring classic styling elements like fluted posts, elegant tapered legs, inverted breakfront designs and raised panel moldings. The warm cherry finish exudes a distinctive air of sophistication, with light distressing on surfaces and gentle burnishing on edges and corners. The hardware is finished in a rich, aged brass coloration.

The classic lines of the Richmond Hill series are crafted from select cherry veneers. The 78-inch Waycroft media cabinet accommodates electronics and media storage in three compartments behind four doors. Behind each of the outside doors are two adjustable shelves. In the large center compartment is one adjustable shelf. Above that closed compartment is an open area, designed to accommodate a sound bar or media storage. There are grommets for wire management in each compartment.

305-661 Waycroft Media Center
78W x 19D x 28.5H in.

CROSS X EFFECT

Crafted from quartered white oak veneers in a rich mocha coloration, Cross Effect offers an innovative fusion of contemporary and industrial design, featuring striking metal bases and custom metal accents in bronze-finished silver leaf. Asymmetrical styling offers a slight urban edge to the look, enhancing its modern aesthetic and sophisticated appeal.

190-660 Paramount Media Console 64W x 19D x 29.25H in.

The 64-inch Paramount media console features an open compartment in the top that accommodates storage, or a full-size sound bar. There is one adjustable shelf behind the door on the left and two full-extension drawers on the right.

190-661 Ellison Media Center 73.5W x 19D x 30H in.

The 73-inch Ellison media center offers a striking architectural design on the front of the piece. Behind the two center doors are six adjustable shelves. On the right side are three full-extension storage drawers. On the left is one full-extension storage drawer and a file drawer that accommodates letter or legal files. This design offers functionality for the office or the media room.

CASCADES

Inspired by the timeless elegance of Hollywood Regency and Art Deco styling, designs in Cascades feature scalloped detailing that accentuates the graceful lines and curved fronts that define the distinctive look. Crafted from white oak veneers, pieces are lightly wire-brushed and finished in a fresh linen-white coloration, with custom hardware and ferrules in brushed nickel. The portfolio of designs includes desks, files chests and bookcases for the home office, media consoles in two sizes, and a game table with stationary and casted chairs.

310-660
Ellerston Media Console
64.5W x 20D x 30H in.

The 65-inch Ellerston media console features an elegant bowfront design with 4 doors that showcase the scalloped detail. Behind the doors are 6 full-extension drawers and 6 adjustable shelves.
